ADDSA-S

fotelex ®
by SIGHTES TECHNOLOGY

DUPLEX SINGLEMODE SC/APC ADAPTOR

Features

◆ Precision alignment for accurate fiber connection
◆ Low insertion loss for minimal signal attenuation
◆ Compact design for space-saving installation
◆ Easy installation and removal for convenient maintenance
◆ High durability and compatibility for long-lasting performance in various applications.

General

Interface	SC/APC
Fiber Mode	Single-mode
Fiber Type	OS2
Mount Type	Flange
Product Type	Duplex

Dimensions

Connector Size	33.6*34.6*9.3 mm

Technical

Operating Temperature	-20 °C to +70 °C
Insertion Loss	≤0.3dB
Return Loss	≥60dB
Repeatability	≤0.1dB
Durability	1000 times

Compliance

Applicable	RoHS2.0
Flammability	UL94-V0
Standards	IEC61754-20
