

## ADSFC-O

### SIMPLEX SC ADAPTOR

#### Features

- ◆ Providing fast data transfer rates over long distances.
- ◆ Minimal delay when transmitting data.
- ◆ Supporting multiple channels for network expansion.
- ◆ Built-in redundancy features for continuous operation.
- ◆ Compatible with various fiber optic cables and connectors for flexible network configuration.

#### General

Interface  
Mount Type  
Product Type

FC  
Flange  
Simplex

#### Dimensions

Connector Size

16\*15\*15 mm

#### Technical

Operating Temperature  
Insertion Loss  
Return Loss  
Repeatability  
Durability

-40 °C to +75 °C  
≤0.2dB  
≥50dB  
≤0.2dB  
1000 times

#### Compliance

Applicable  
Standards

RoHS2.0  
IEC61754-13
